Additional Information

Dedicated to teaching your child how to play chess, have fun and become a winner.

Utilize an accepted chess curriculum to teach children the “Classical School of Chess”.

Desire a low student to coach ratio, so each student can receive demonstrative and interactive chess instructions.

Employ motivational award system to inspire your child to study, practice and play chess.

Communicate with parents and school coordinators to inform them of the student’s chess progress.

Work diligently to meet or exceed your child’s chess goals and expectations.

Love to teach chess and help the children achieve their best.

Chess is more than a game...
